

## CERTIFICATE OF APPROVAL

This is to certify that the Management System of:

**Tarmac Cement and Lime  
part of Tarmac Holdings Ltd  
Portland House, Bickenhill Lane,  
Solihull, West Midlands  
United Kingdom**

has been approved by Lloyd's Register Quality Assurance to the following  
Safety Management System Standards:

**OHSAS 18001:2007**

The scope of this approval is applicable to:

**The development, testing, manufacture and storage of cement, blended cements and cementitious products, including quarrying, blending and both road and rail loading operations. The manufacture of lime, chemical stone and aggregates including associated quarrying and uploading operations. Production of limestone powders. The sourcing, processing, analysis and provision of waste derived fuels and materials. The landfill of hazardous and non-hazardous waste. The development and manufacture of cement/pulverised-fuel ash blends, and pulverised fuel ash to British Standards and customer agreed specifications.**

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.
